<https://github.com/majeed303/studentmangment>

Built using : **MongoDB, Mongoose, React, EXPRESS, NODE.JS,**

### Education Background

---

- 2022-Ongoing

#### SELF LEARNING

After my graduation of my higher secondary, I started to learn basic coding by myself and later after choosing my stack I convinced some experienced developers to guide me to learn better and that helped me to build a strong foundation.

- 2021-2022

#### HIGHER SECONDARY

GHSS VAZHAKKAD
